LADY LONGHORN BASKETBALL

Meet the Coaching Staff

My favorite time of year is upon us. I am proud to announce that Coach Ronnie Diehl will be joining me once again. We are excited for this opportunity to be coaching basketball again. I have to thank him for the pep talks to get me back into the game. It is truly the game that I love teaching to young people. After three years off, I feel like I have had the opportunity to learn and just observe the game of basketball from afar. After speaking with many coaches about coaching girls basketball it has been brought

to my attention that teamwork is an issue. We are going to be working on multiple things throughout the year to promote team bonding. The Lady Longhorn slogan for the year is WE/ME. We will work together to make this season a success. The individuals will come and go but the team will remain. I can't express how excited I am to get back to the sidelines. It is approaching quickly. Practice will start on November 18 at 6:00 am.
